ABOUT ME

Computer Science graduate with a passion for software development and solving real-world challenges. I enjoy backend-focused, team-based projects and have hands on experience with Agile methodologies and modern AI tools. Outside of tech, I'm a competitive basketball player — a role that sharpened my discipline and teamwork.

TECHNICAL PROJECTS

TourTrack

Final Project & Tourism Social Network App

📅 2024-2025

- Collaborated with the Lower Galilee Regional Council to develop a tourism app for hikers.
